

BENTHAM TOWN COUNCIL

Buildings Maintenance Committee Terms of Reference

2026

The Council owns Bentham Town Hall. It is fully responsible for running and maintaining of this.

To monitor the condition of the Council owned buildings, i.e., Town Hall:

Maintenance issues in the Town Hall should be reported by the clerk.

The committee should make a tour of the building, at least annually, to keep a check on the fabric of the building.

The Town Hall has a 'Buildings Defects Book' where all maintenance issues and problems should be recorded, and all staff / regular volunteers should be aware of the problems as listed.

To discuss and agree maintenance tasks and their priority.

To devise or obtain suitable specifications for maintenance tasks and get quotes for the work.

To select and approve contractors and accept quotes within the agreed maintenance budget.

The requirement for extra spending over and above the agreed budget needs approval from full Council.

To contribute to the Council's budgeting process by outlining future improvement projects and their potential costs at the appropriate time.

To review the Fire Risk Assessments as required and necessary for agreement by full Council.

To review and update the Risk Assessment for Bentham Town Hall on an annual basis for agreement by full Council,

To formulate and keep up to date a procedure for emergency maintenance issues.

The clerk has delegated powers to spend £500 in the case of emergency, and in the case of buildings maintenance should only do so in consultation with at least two members of the committee, and report such expenditure to the Council at the earliest opportunity.
