

Lancaster and Skipton Rail Users Group

APM report 2025

LASRUG continues to strive for improvements in rail services and infrastructure. The group has a membership of approximately 120 and produces a top quality quarterly newsletter. The group fundraise through Coffee Mornings in Bentham. We also try to be as visible as possible at other rail events along the Bentham Line. We thank Bentham Town Council for its continued support.

The Grant received from yourselves will be used for publicity material for the line
